

*Hello Local STEM Enthusiast,*

I am contacting you on behalf of the Savannah Coastal Empire Section of the Society of Women Engineers (SWE). SWE is a non-profit educational and service organization.

We have a very large focus on STEM outreach in the community and one way we make an impact is by hosting an annual **Girls Engineer It Day** for about 300 local middle and high school students as well as 100 adults and 90 volunteers.

This year is our 6<sup>th</sup> annual event for **Girls Engineer It Day**. It will be on September 16<sup>th</sup> 2017. We would be most grateful if you could make a donation and/or attend our Expo.
